

## Anglican Church Women – the Board

The Board of the diocesan Anglican Church Women is comprised of representatives from each region and several executive positions. The Board meets several times a year to conduct business as it arises, and to plan for the Annual Meeting of the women of the diocese. In former years, the meeting - a welcome opportunity for women to gather, share fellowship and exchange ideas - encompassed the whole weekend (Friday evening, Saturday and Sunday). Today women strongly bonded by a common purpose, hold their Annual Meeting on a Saturday.

An integral Board position is that of the Chaplain, appointed for an indefinite period by the Bishop. Three of the Board positions (Lone Members Secretary, *In Touch* Editor and *Book of Remembrance* Secretary) are Board appointees. The remaining Board positions (President, Secretary, Treasurer, etc.) are elected annually by the general membership.
