

Welcome!

I am very excited about the partnership that Hastings Lake Bible Camp is forming with the Anglican Summer Camp program! I think that this partnership will have tremendous benefits as we join together in our common mission of teaching and showing the love of Christ to summer campers.

I invite you to think and pray about joining that staff here at Hastings Lake.

We have nine Leader (Counselor) positions, five female, and four male. This is the ‘frontlines’ of our camping ministry. Our Leaders lead worship, Bible studies, daily activities, and supervise a cabin. Being a Leader is all about building relationships with the campers.

We also have one lifeguard position, a head cook position, a kitchen assistant, and maintenance assistant. If you have quite a bit of camping experience we also have a program assistant position. This position includes office work, general leadership to the rest of the staff, and providing support for the Executive Director (me!).

These are all paid positions, and they tentatively start June 15th with two weeks of training, and run until August 27th. You can find our applications online at www.hastingslake.com under the tab ‘people’. We should have our new 2010 application up Jan, 1st, and will start accepting applications then. We try to have our staff hired by mid-March.

If you have any questions you can call me at 780 662 2557, even if just to chat about who you are and what is going on in you’re life! You can also check out our webpage at www.hastingslake.com

You should also check out these other great camps, and apply at more than one if you so feel led! Some camps have more need for new staff, depending on the year. We really would love to have you be part of our program!
